SECOND AND SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

COMMISSIONER FOR PATENTS
P.O. Box 1450
Alexandria, VA 22313-1450

S I R :

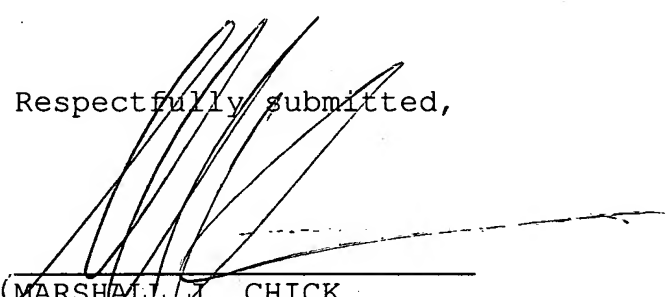

This supplements the INFORMATION DISCLOSURE STATEMENT filed April 25, 2005 in which the PTO Forms PTO/SB/08A and PTO/SB/08B identified all of the references cited in the International Search Report issued in International Application No. PCT/JP2003/011883. Because priority is claimed under 35 USC 120 copies were not required. However, for the convenience of the Examiner, copies of these references are enclosed herein.

In addition, annexed hereto is a copy of a publication listed in the above-identified application.

The relevance of this document is discussed on page 5 of the specification.

It is requested that the publications be considered with respect to the patentability of the present invention and that an initialed copy of the enclosed Forms PTO/SB/08A and PTO/SB/08B be returned to applicants to indicate that such publications have been considered and made "of record."

Respectfully submitted,
